2020: ESSILOR'S TOP 12 HIGHLIGHTS

New initiatives to respond to COVID-19 and mobilize our workforce, new products, new partnerships, a new record for our Special Lenses team, and accelerating the integration between Essilor and Luxottica... Here are 12 highlights of 2020!

In a difficult year marked by the COVID-19 global health crisis, Essilor teams have demonstrated great agility in finding innovative ways to support our customers and consumers - while keeping our people safe.

More than ever, our 74,000 Essilor employees and our partners have been at the heart of bringing our mission and our vision to life.

As 2020 draws to an end, Essilor wants to celebrate the progress made and thank our employees for their remarkable work and dedication, and our customers for the trust they continued to place in us.
