The maximum number of common shares authorized for issuance was set at 3,087,219, representing no more than 2% of capital stock.

At its meeting on November 26, 2009, the Board of Directors decided to use this authorization to issue up to 300,000 common shares for subscription by members of the Essilor, BBGR, Novisia, BNL Eurolens, Delamare and Sovra employee stock ownership plans.

The new shares will carry rights as from January 1, 2009. They will be offered at a price of €31.17 per share, corresponding to the average of the opening prices quoted over the last twenty trading days preceding the Board's November 26, 2009 decision to issue the shares, less a 20% discount.

Employees may purchase the shares through two funds. These funds have been given a specific value since July 1, 2009, the start date of the subscription period. The closing date of the subscription period is December 10, 2009. The actual number of shares issued will be announced on December 22, 2009 and the Company will then apply for the new shares (par value: €0.18) to be listed on Eurolist by Euronext™.
