Dear Sir or Madam, Dear Shareholder,

Since our announcement last January 16th, the process leading to a strategic combination between Essilor International and Luxottica is underway and we are happy and enthusiastic to submit to your vote a number of resolutions that will allow us to launch the creation of a global player in the eyewear industry. This entity would combine the talents and respective expertise of Essilor and Luxottica, two companies driven by the same passion for the product, in order to provide a comprehensive offer to consumers and to accelerate the creation of value for all stakeholders.

This combination, at the heart of which the respect for corporate cultures and common values is key, is part of our mission to improve the vision of 7.4 billion people worldwide.

During this Meeting, you will be asked to vote in favor of canceling the double voting right for the reasons set out on pages 6 to 9 and you will be able to ask questions in relation to the agenda of this Special Meeting.

This Meeting will be followed by the Combined General Shareholder’s Meeting, which will be called upon to vote on resolutions relating to this combination.

I hope that you will be able to take part in this historic moment for the Group, either by personally attending it, by being represented, or by voting by correspondence (post or online). You may also authorize the President of the Special Meeting or any other person of your choice to vote on your behalf.

I thank you for your trust and loyalty.

Hubert SAGNIÈRES
Chairman and CEO of Essilor International
AGENDA

Resolutions within the powers of the Special Meeting

1. Cancellation of the double voting rights and corresponding amendments of the by-laws
2. Powers to carry out legal formalities

HOW TO PARTICIPATE IN THE SPECIAL MEETING?

You are invited, in your capacity as holders of shares with double voting rights attached, and irrespective of the number of shares that you hold, to take part in the Special Meeting for holders of shares with double voting rights attached in the company Essilor International, in order to discuss the above agenda, on Thursday, May 11, 2017 at 9.00 a.m. at the Maison de la Mutualité, 24 rue Saint-Victor, Paris (75005), France.

During this Special Meeting, which will be held before the Combined General Shareholders’ Meeting and for which you will also receive a notice of meeting, you will be asked to vote in favor of canceling the double voting right for the reasons set out on pages 6 to 9.

A. FORMALITIES TO BE CARRIED OUT BEFORE PARTICIPATING IN THE SPECIAL MEETING

Holders of Essilor International shares with double voting rights attached wishing to attend the Special Meeting, to be represented via proxy, or to vote by post or online, in accordance with Article R.225-85 of the French Commercial Code, will have to provide evidence of ownership of their shares by 12:00 a.m. CEST on the second business day prior to the Meeting (i.e. 12:00 a.m. CEST, Tuesday, May 9, 2017) through the listing of their shares on the Company registers held by Société Générale Securities Services.

Go online and select “voting instructions”

If you decide to vote online, you must not send your paper voting form back and vice-versa. The website will open on April 20, 2017 and give you the same options as the paper voting form. You therefore have the options of:

• requesting and printing an admission card;
• giving a proxy to the Chairman of the Meeting or to any other person of your choice (designating and revoking a proxy);
• voting on the resolutions.

Note: If you own Essilor International shares with double voting rights attached in more than one form (registered or through the dedicated employee share ownership fund i.e. “FCPE”), you will have to vote as many times as there are forms if you wish to cast all your voting rights.

(1) Participate: attending in person (request an admission card), vote remotely, give a proxy to the Chairman of the Meeting or any other person.
1. **If you wish to attend the Meeting in person, you must request an admission card (by post or online)**

You will either receive the notice of meeting accompanied by a specific form by regular mail or (if you have chosen to receive the notice of meeting by e-mail) you will have e-mail access to it.

You may obtain your admission card either by filling out, signing and returning the form to Société Générale, or via the website: https://essilor.voteassemblee.com, using the user ID and password sent to you by post or by e-mail (if you have chosen to receive the notice of meeting by e-mail) in mid-April.

If you have not received your requested admission card by Tuesday May 9, 2017, please contact Société Générale to track its status: phone number: Monday to Friday, from 8:30 a.m. to 6:00 p.m.*: +33 (0) 251 856 789 (tariff in effect depending on your country).

**N.B.:** Please note that the Combined General Shareholders’ Meeting of Essilor International will take place after this Special Meeting on May 11, 2017. You will receive a separate notice of meeting by mail or e-mail (if you have selected an e-notification) for each of these Meetings. It is imperative that you request an admission card for each of these Meetings. Each admission card, which will be forwarded to you upon request, will have a specific color code (further explanation will be provided on page 13 of this notice).

2. **If you are not attending the Meeting in person, you can participate by appointing a proxy, or by voting by correspondence (post or online)**

2.1. **Appointing a proxy**

- **Either a designated proxy holder**

  If you have chosen to be represented by a proxy holder of your choice, you may give notice of the appointment:(1):
  - by regular mail, using the paper voting form, sent directly to Société Générale. The notice must be received by Société Générale by May 7, 2017 at the latest;
  - electronically, by connecting to the website https://essilor.voteassemblee.com, according to the instructions described in the following box, by 3:00 p.m. CEST, May 10, 2017 at the latest.

- **Or without specifying any proxy holder (representative)**

  You may notify us of your choice by mail or electronic means, as described above. The Chairman of the Meeting will cast a vote in favour of the adoption of the proposed resolutions presented or agreed to by the Board of Directors and a vote against the adoption of any other proposed resolutions.

2.2. **Voting by correspondence with your personal voting form or on the website**

- **Voting by post with the voting form**

  You will receive your personal voting form by regular mail (unless you have chosen to receive the notice of meeting by e-mail). The duly completed and signed personal voting form will have to be received by Société Générale (using the attached postage-paid return envelope) at least three calendar days before the date of the Special Meeting that is by May 7, 2017.

- **Online voting on the resolutions**

  You need to connect to the website https://essilor.voteassemblee.com. See the instructions described in the following box.

**HOW TO CONNECT AND GIVE VOTING INSTRUCTIONS VIA THE INTERNET FOR THE SPECIAL MEETING**

Essilor International makes a dedicated voting website available to its shareholders prior to the Meeting, in accordance with the provisions of Article R.225-61 of the French Commercial Code.

The dedicated secure voting website will be opened prior to the Meeting, from April 20, 2017, 9:00 a.m. to May 10, 2017, 3:00 p.m. (CEST).

In order to avoid any overload of the voting website, shareholders are advised not to wait until the last minute before connecting to the site.

You can access the voting website, using your user ID and password that was posted to you directly (or sent by e-mail if you have chosen to receive the notice of meeting by e-mail) in mid-April: https://essilor.voteassemblee.com.

3. **Once you have cast your vote (by correspondence or proxy or by requesting your admission card or an attendance certificate to attend the Meeting)**

- **You may no longer select another way of participating in the Meeting** (Article R.225-85 of the French Commercial Code).

- **But you can still sell all or some of your shares at any time.**

However, if the sale occurs before May 9, 2017, 12:00 a.m. CEST, the Company will invalidate or modify any vote cast remotely, proxy, admission card, or attendance certificate, as the case may be.

No sale or any other action taken or carried out after May 9, 2017, 12:00 a.m. CEST, by whatever means used, will be taken into consideration by the Company, notwithstanding any agreement to the contrary.

Statement of reasons

**Resolution 1** relates to the cancellation of the double voting rights of certain Essilor International (the “Company”) shares with effect, in case of approval, as from the completion date of the contribution by Delfin S.à r.l., a Luxembourg société à responsabilité limitée (limited liability company) having its registered office at 7, rue de la Chapelle, 1325 Luxembourg, registered with the Trade and Companies Registry (Registre de Commerce et des Sociétés) of Luxembourg under number B117420 (“Delfin”) to the Company of all the shares held in Luxottica Group S.p.A., an Italian società per azioni (joint stock company) having its registered office at Piazzale L. Cadorna, 3, 20123, Milan, Italy, registered with the Companies Registry of Milan under no. 00891030272 (“Luxottica”), subject to:

- its approval by the General Shareholders’ Meeting of May 11, 2017; and
- the satisfaction of all conditions precedent described in the contribution agreement entered into between the Company and Delfin S.à r.l.

The strategic combination between Essilor International and Luxottica would be carried out as follows:

(i) Pursuant to a contribution subject to the apport-scission regime submitted to the approval of the Company’s General Shareholders’ Meeting, Delfin would contribute its entire stake in Luxottica (62.55%) (1) to the Company in exchange for new ordinary shares to be issued by the Company, on the basis of an exchange ratio of 0.461 Essilor shares for one Luxottica share (subject to an adjustment provided for in the relevant contribution agreement, which is the subject of Resolution 22 of the Combined General Shareholders’ Meeting of May 11, 2017);

(ii) The Company would implement a hive-down of its activities and equity interests into one of its wholly-owned subsidiaries that would be renamed “Essilor International”;

(iii) The Company would be renamed “EssilorLuxottica” and would become a holding company;

(iv) The Company would subsequently launch a mandatory exchange offer in accordance with the provisions of Italian law, to acquire all of the remaining issued and outstanding Luxottica shares, pursuant to the same exchange ratio as for the contribution of Delfin, with a view of delisting the Luxottica shares.

Following the transaction, subject to its approval by the Special Meeting and the General Shareholders’ Meeting of today and to the satisfaction of all conditions precedent provided in the contribution agreement entered into between Delfin and the Company, Delfin would own (on a fully diluted basis), between 31% and 38% of the Company’s share capital, depending on the results of the exchange offer, and would become its main shareholder.

Given this structure of the Company’s share capital, it is proposed to cancel the double voting rights. The cancellation of the double voting rights combined with a voting cap of 31% (pursuant to a formula provided for in the draft of the new by-laws) would be established in the by-laws in order to ensure the protection of minority shareholders by limiting the power that significant shareholders could have at Shareholders’ Meetings. These amendments, and more specifically, the cancellation of the double voting rights, to which this resolution relates, require changes to the Company’s by-laws.

**Resolution 2** relates to powers to carry out formalities.

---

1 First resolution
Cancellation of the double voting rights and corresponding amendments of the by-laws

The Special Meeting, having fulfilled the required conditions for quorum and majority voting for special meetings pursuant to Article L.225-99 of the French Commercial Code and having reviewed the reports of the Board of Directors and the revised by-laws attached in Appendix hereto:

(i) the cancellation of the double voting rights attached to the Company’s shares provided by Article 24, 3) of the Company’s by-laws at the completion date of the contribution, subject to the apport-scission regime, by Delfin of its entire stake in Luxottica to the Company (the “Completion Date”);

(ii) the inclusion of a specific mention relating to the absence of double voting rights in accordance with the option provided for by paragraph 3 of Article L.225-123 of the French Commercial Code as amended by French Act no. 2014-384 of March 29, 2014 for economic recovery;

(iii) the revision of the by-laws, in particular the amendment of the provision in the by-laws relating to double voting rights (i.e. paragraphs 8, 9, 10, 11 of Article 24,3);

---

(1) As of December 31, 2016.
2. Acknowledges that, in accordance with Article L.225-99 of the French Commercial Code, this decision of the General Shareholders’ Meeting shall only be final upon approval, by the Special Meeting of shareholders with double voting rights, of the cancellation of the double voting rights attached to the Company’s shares and the corresponding amendments to the by-laws;

3. Subject to the completion of the contribution subject to the apport-scission regime of all Luxottica shares held by Delfin to the Company, the Company approves the cancellation, with effect at the Completion Date, of the double voting rights attached to the Company’s fully paid shares for which proof of registration in the name of the same shareholder for at least two years is provided;

4. Approves (subject to the approval by the General Shareholders’ Meeting of resolution 21) the revision of the by-laws, their new wording in full and article by article, with effect at the Completion Date, in particular the inclusion in former Article 24, 3), becoming Article 23, 3) of the Company’s new by-laws of the following mention: “By exemption of the provisions of the last paragraph of Article L.225-123 of the French Commercial Code, no double voting rights are conferred on the shares of the Company.”

5. Acknowledges that as a result of this resolution and of resolution 21 proposed to the Company’s General Shareholders’ Meeting of today, each of the Company’s shares shall give right to one voting right with effect at the Completion Date.

The Special Meeting, having fulfilled the required conditions for quorum and majority voting for special meetings, grants all powers to any bearer of an original, a copy or an extract of the minutes of this Special Meeting to carry out or have carried out any filing, publication and other legal formalities.

Appendix: Excerpt from the draft of the new by-laws

PRESENTATION OF THE PROPOSED COMBINATION BETWEEN ESSILOR INTERNATIONAL AND LUXOTTICA

Benefits of the transaction for Essilor, Luxottica and their respective shareholders

Creation of an integrated company through the unique combination of global players with complementary strengths

The proposed combination would benefit Essilor, Luxottica and their respective shareholders through a significant increase in the geographic and commercial reach of their respective operations. This would provide the combined company with additional resources to combat problems of awareness and access to care against vision problems and serve the growing appetite for premium brands in eyewear, creating the traction necessary to unlock the underlying growth potential in vision care, particularly in underserved markets.

With this additional scale, the combined company would also have greater flexibility to invest and capture internal and external growth opportunities.

This proposed combination is particularly attractive for the companies and their shareholders because Essilor and Luxottica have significant complementary strengths. Essilor and Luxottica would each gain entry into new markets and sectors where they currently have a more limited presence but the other company is an established player, unlocking new opportunities for growth and innovation.

Terms and conditions of the transaction

The strategic combination between Essilor International and Luxottica would be carried out as follows:

(i) Pursuant to a contribution subject to the apport-sciission regime submitted to the approval of the Company’s General Shareholders’ Meeting, Delfin would contribute its entire stake in Luxottica (62.55%) (1) to the Company in exchange for new ordinary shares to be issued by the Company, on the basis of an exchange ratio of 0.461 Essilor shares for one Luxottica share (subject to an adjustment provided for in the relevant contribution agreement, which is the subject of Resolution 22 of the Combined General Shareholders’ Meeting of May 11, 2017);

(ii) The Company would implement a hive-down of its activities and equity interests into one of its wholly-owned subsidiaries that would be renamed “Essilor International”;

(iii) The Company would be renamed “EssilorLuxottica” and would become a holding company;

(iv) The Company would subsequently launch a mandatory exchange offer in accordance with the provisions of Italian law, to acquire all of the remaining issued and outstanding Luxottica shares, pursuant to the same exchange ratio as for the contribution of Delfin, in view of delisting the Luxottica shares.

Stable shareholder structure (resulting from the completion of the Contribution)

The proposed transaction would create a beneficial and stable long-term shareholding structure for the combined company. Following the Contribution and the Offer, Delfin would own between 31% (2) and 38% (2) of the share capital of EssilorLuxottica. Mr. Del Vecchio, as Executive Chairman and Chief Executive Officer of the combined company and ultimate controlling person of Delfin, would be fully aligned on the strategic goals of EssilorLuxottica and enable it to forge forward supported by a unique growth strategy. The proposed transaction would also provide an opportunity for the employees of EssilorLuxottica to participate in the anticipated value creation and success through their meaningful share ownership in the combined company.

(1) As of December 31, 2016.
(2) On a fully diluted basis.
Changes to voting rights of the Essilor shares
(subject to approval by the Special Meeting of holders of shares with double voting rights attached and the Combined General Shareholders’ Meeting of May 11, 2017)

In connection with the contemplated combination, changes to the articles of association of the combined company would be adopted that would affect the voting rights attached to EssilorLuxottica shares. Under Essilor’s current articles of association, double voting rights are attached to fully paid-up shares held in registered form for at least two years in the name of the same shareholder. Essilor’s Special Meeting of holders of shares with double voting rights attached and Essilor’s General Shareholders’ Meeting called to approve the Contribution would both resolve on the cancellation of the double voting rights attached to certain shares of Essilor and the corresponding changes to Essilor’s (and, following the contemplated Contribution, EssilorLuxottica’s) articles of association. Essilor’s (and, following the contemplated Contribution, EssilorLuxottica’s) shareholders would no longer have any similar benefit, even if they hold registered shares for at least two years or another period of time. In addition, it is anticipated that Essilor’s articles of association will be amended in connection with the Contribution to cap the voting rights of any shareholder at 31%. As a result, no shareholder would be allowed to express more than 31% of the total number of voting rights of the combined company (subject to a formula described in the new by-laws of the company).
