ESSILOR CELEBRATES UNITED NATIONS' RECOMMENDATION TO GOVERNMENTS TO ENSURE GOOD VISION OF ALL ROAD USERS

Effective April 1st, the call to ensure good vision for all road users in the world is now part of the “ITC Recommendations for Enhancing National Road Safety Systems”. The recommendations were adopted by the governments at the Inland Transport Committee (ITC), the United Nations' regulatory platform in the field of inland transport. Essilor celebrates this major milestone, an incentive to generalise eye tests and facilitate access to eyecare, and reinforces its commitment towards safe mobility, as a vision care leader and as a donor to the United Nations Road Safety Fund.
