WORLD SIGHT DAY 2020: PROTECTING YOUR EYES FROM LIGHT

This year, to mark World Sight Day, Essilor has launched a campaign to raise awareness about the importance of protecting your eyes from blue-violet light and UV rays, both indoors and outdoors.

MYOPIA PROFILE AND ESSILOR JOIN FORCES TO TACKLE CHILDHOOD MYOPIA THROUGH EDUCATION AND AWARENESS

Myopia Profile and Essilor International announced their partnership to empower eye care practitioners with clinical knowledge, skills and practice in managing childhood myopia. The partnership will also see a boost to public awareness of the consequences of myopia, also called short-sightedness or near-sightedness, and will encourage more parents to have their children's vision tested worldwide.

WITH STELLEST™ LENS, ESSILOR REAFFIRMS ITS LEADERSHIP IN MYOPIA MANAGEMENT

Essilor recently launched Stellest™ lens, a new generation of spectacle lens solutions in the fight against myopia. Interim findings of an ongoing clinical trial show more than 60% slowdown in myopia progression on average, when compared to children wearing single vision lenses.
